

Positive affirmations

F O R L O V E

Ideas...

- Cut out the cards.
- Leave them in your wallets or purse,
- Pin them on your board or wall next to your desk,
- Put them some on your bedside table,
- Glue them in your diary,
- Stick them in your personal journal,
- Stick them on your fridge.

... Wherever you want as long as you can see the card to remind you to keep a positive mindset.

Have a good day!

Alexandra & Andrew

CREATORS, PERSONALJOURNALAPP.COM

I am ready for a
healthy, loving,
lasting relationship

I am loved, loving,
and lovable.

The more I care for
and love myself, the
more love I will
experience from
others.

I only attract
positive people
in my life.

I am worthy of
love and
respect.

I love myself and I
naturally attract
loving relationships
into my life.

I am now ready to
accept a happy,
fulfilling relationship.

I have respect
and love
myself.

I want love
and love wants
me.

I choose
happiness, health
and love.

Love

I am ready for a healthy, loving, lasting relationship

I am loved, loving, and lovable.

The more I care for and love myself, the more love I
will experience from others.

I only attract positive people in my life.

I am worthy of love and respect.

I love myself and I naturally attract loving
relationships into my life.

I am now ready to accept a happy, fulfilling
relationship.

I have respect and love myself.

I want love and love wants me.

I choose happiness, health and love.
